The family of Ben Finney, along with the Polynesian Voyaging Society (PVS), invites friends and colleagues to join them for a celebration of his life. Ben, who co-founded PVS, sailed on Hōkūle'a’s first voyage to Tahiti, and taught at the University of Hawaii, elevated our understanding of Polynesian voyaging. The Celebration of Life will be held at the Marine Education and Training Center, home of PVS and Hōkūle’a. Following the ceremony, the family will take Ben on a final sail aboard Hōkūle’a to bid aloha and scatter his ashes near Waikiki.
